

# LANGHAM SUREGRIP

## KEY FEATURES

- Most versatile raiser on legs, castors & block feet
- Twists to quickly adjust height
- Use independently or linked

Designed to make raising as simple as possible, it can be used with most types of furniture. It can accommodate castors, legs, solid divan bases and even modern block feet, by using the included adhesive pad adaptors.

Each Langham SureGrip features a unique double grip to hold tightly on to furniture without damaging it. The height is adjusted in seconds simply by twisting the unit up and down. The exact raise height is shown on the side as you raise it.
